Warm, Hot

### European Holly

*Ilex aquifolium*

9 1

Plantae, Angiosperms, Eudicots  
3 POINTS

- *Ilex aquifolium* has a **SPREAD** of 1.
- Ilex aquifolium* is also known as *Christmas Holly*.

Image by *Ostrokrzew kolczasty*  
commons.wikimedia.org/wiki/File:Ilex\_aquifolium.jpg  
Cool, Warm

### Bald Eagle

*Haliaeetus leucocephalus*

6 3

Animalia, Chordata, Aves  
8 POINTS

- *Haliaeetus leucocephalus* has a **FLIGHT** of 2.
- *Haliaeetus leucocephalus* needs to be adjacent to at least one **FOREST** and one **WATER BASE** terrain.

Image by *Joanna Barnum*  
www.joannabarnum.com/  
Cool, Warm

### Shore Crab

*Carcinus maenas*

4 3

Animalia, Arthropoda, Crustacea  
8 POINTS

- *Carcinus maenas* has a **MOVE** of 2.
- *Carcinus maenas* must be placed adjacent to at least one **OCEAN** terrain card.

Image by *Coral Cargill*  
bluecnidaria.deviantart.com/  
Cool, Warm

### Increase Biodiversity

Event card

Event

- PLAY:** can be played immediately for below effect and then discarded.
- EFFECT:** Allows player to look through his/her discard pile, and choose 1 **SPECIES** card to put back into his/her hand.

Image by *demonflair*  
demonflair.deviantart.com/

### Oil Spill

Event Card

Event

- PLAY:** on 1 **SPECIES** card.
- EFFECT:** The played **SPECIES** card is discarded. All neighbouring species cards still adjacent to the **EVENT** after 1 turn will also need to be discarded.

Image by *Stephanie Tan*  
wildhue.deviantart.com/

### Red Panda

*Ailurus fulgens*

6 3

Animalia, Chordata, Mammalia

- 6 POINTS
- *Ailurus Fulgens* has a **MOVE** of 2.

*Ailurus Fulgens* is often referred to as the "cutest animal on the planet."

Image by *Heather Ravenscroft*

Cool, Warm

**Field Poppy**  
*Papaver rhoeas*

6 1

Plantae, Magnoliophyta, Magnoliopsida  
2 POINTS

• *Papaver rhoeas* has a **SPREAD** of 1. Requires a **POLLINATOR**.

Image by *Anca Damian*  
ankkutza.deviantart.com/

Cool,  
Warm

**Mute Swan**  
*Cygnus olor*

7 3

Animalia, Chordata, Aves  
3 POINTS

• *Cygnus olor* has a **FLIGHT** of 2.  
• *Cygnus olor* must be placed adjacent to at least one **WATER-BASED TERRAIN** containing card.

Image by *lightbird*  
lightbird.deviantart.com/

Cool,  
Warm

**Moose**  
*Alces alces*

8 2

Animalia, Chordata, Mammalia  
5 POINTS

• *Alces alces* has a **MOVE** of 2.  
*In Europe, a moose is known as a European Elk.*

Image by *Catherine Fielder*  
l-h4x3d.deviantart.com/

Cold, Cool

**Overpopulation**  
Event card

Event

**PLAY:** on 1 **SPECIES** card of **FOOCHAIN** 2 or higher (on any **TERRAIN**).

**EFFECT:** Any **SPECIES** card that is the "diet" of the played card is immediately discarded.

Image by *Catherine Fielder*  
l-h4x3d.deviantart.com/

**Fire Salamander**  
*Salamandra salamandra*

6 3

Animalia, Chordata, Amphibia  
9 POINTS

• *Salamandra salamandra* has a **MOVE** of 2.

*Salamandra salamandra* is able to secrete toxins through its skin.

Image by *Celeste Agnes*  
slightly.weirdly.net

Warm, Hot

**Kakapo**  
*Strigops habroptila*

6 2

Animalia, Chordata, Aves  
6 POINTS

• *Strigops habroptila* has a **MOVE** of 1.

*"Kakapo are critically endangered; as of February 2010, only 123 living individuals are known."*
