SPECIES PROTECTION

Event card

Event Card

PLAY: You can play this card immediately after your opponent has played an **EVENT** card on one of your **SPECIES**.

EFFECT: Negates the effect of the **EVENT** card. Does not work on **EVENT** cards that are not played specifically on top of **SPECIES**.

Image by Farhana
Division 15, UHill Elementary

CLIMATE CHANGE

Event card

Event Card

PLAY: Place this card on top of any **SPECIES** card.

EFFECT: The **SPECIES** card is **IMMEDIATELY** discarded. In the same action, this **EVENT** card then moves to an adjacent **SPECIES** card. A game of rock-paper-scissors determines whether this 2nd **SPECIES** card is also discarded. Continue moving the **EVENT** card and removing **SPECIES** cards until your opponent wins at rock-paper-scissors. This card can only be played once per game.

Image by Tod
Division 15, UHill Elementary

PROTECTED HABITAT

Event card

Event Card

PLAY: You can play this card immediately after your opponent has played an **EVENT** card on one of your **SPECIES**.

EFFECT: Negates the effect of the **EVENT** card. Does not work on **EVENT** cards that are not played specifically on top of **SPECIES**.
